

M.O.M.S.

Mission

M.O.M.S. is an initiative promoted by the Shrine of Saint Anne For Mothers.

M.O.M.S. seeks to serve young mothers through volunteer mentors, who collaborate with existing services in the City of Waterbury. While helping these young mothers cultivate a sense of self-worth and vocation, the mentors will guide them to review their own mental and physical health needs, as well as their children's needs, in relation to programs available in the city.

The mentors will also introduce these young women to new cultural experiences so as to expand their vision of life. *M.O.M.S.* works with one young mother and child at a time.

Are you a first time mother?

Do you deserve more respect as a young mother?

Do you want more for yourself and your child?

Would you like to meet someone who will listen to you, offer you support and friendship?

Would you like to meet other young mothers who might be experiencing some of the same joys and challenges you are facing?

Would you like to have the chance to go to a play at the Palace Theater, spend some time in the park or at a zoo with your child, go to a museum, or have other new and exciting experiences?

So what are you waiting for?

In Their Own Words.....

“My mentor is a close friend. I feel comfortable with her and I can talk with her about anything. I like spending time with her and bonding”

~ Young Mother

“Being a mentor makes me feel proud and happy, and it is rewarding to know that I can contribute to another individual’s development.”
